WHY ENERGYRA CHOSE MWT MONO PERC

Our kWh Choice

Power
Yield
Industry 4.0
Reliability

ENERGYRA QUALITY MATERIALS

Layer

Selection

- Halogen free structured backsheet
- Low stress interconnect
- POE encapsulant
- Quartz AR glass

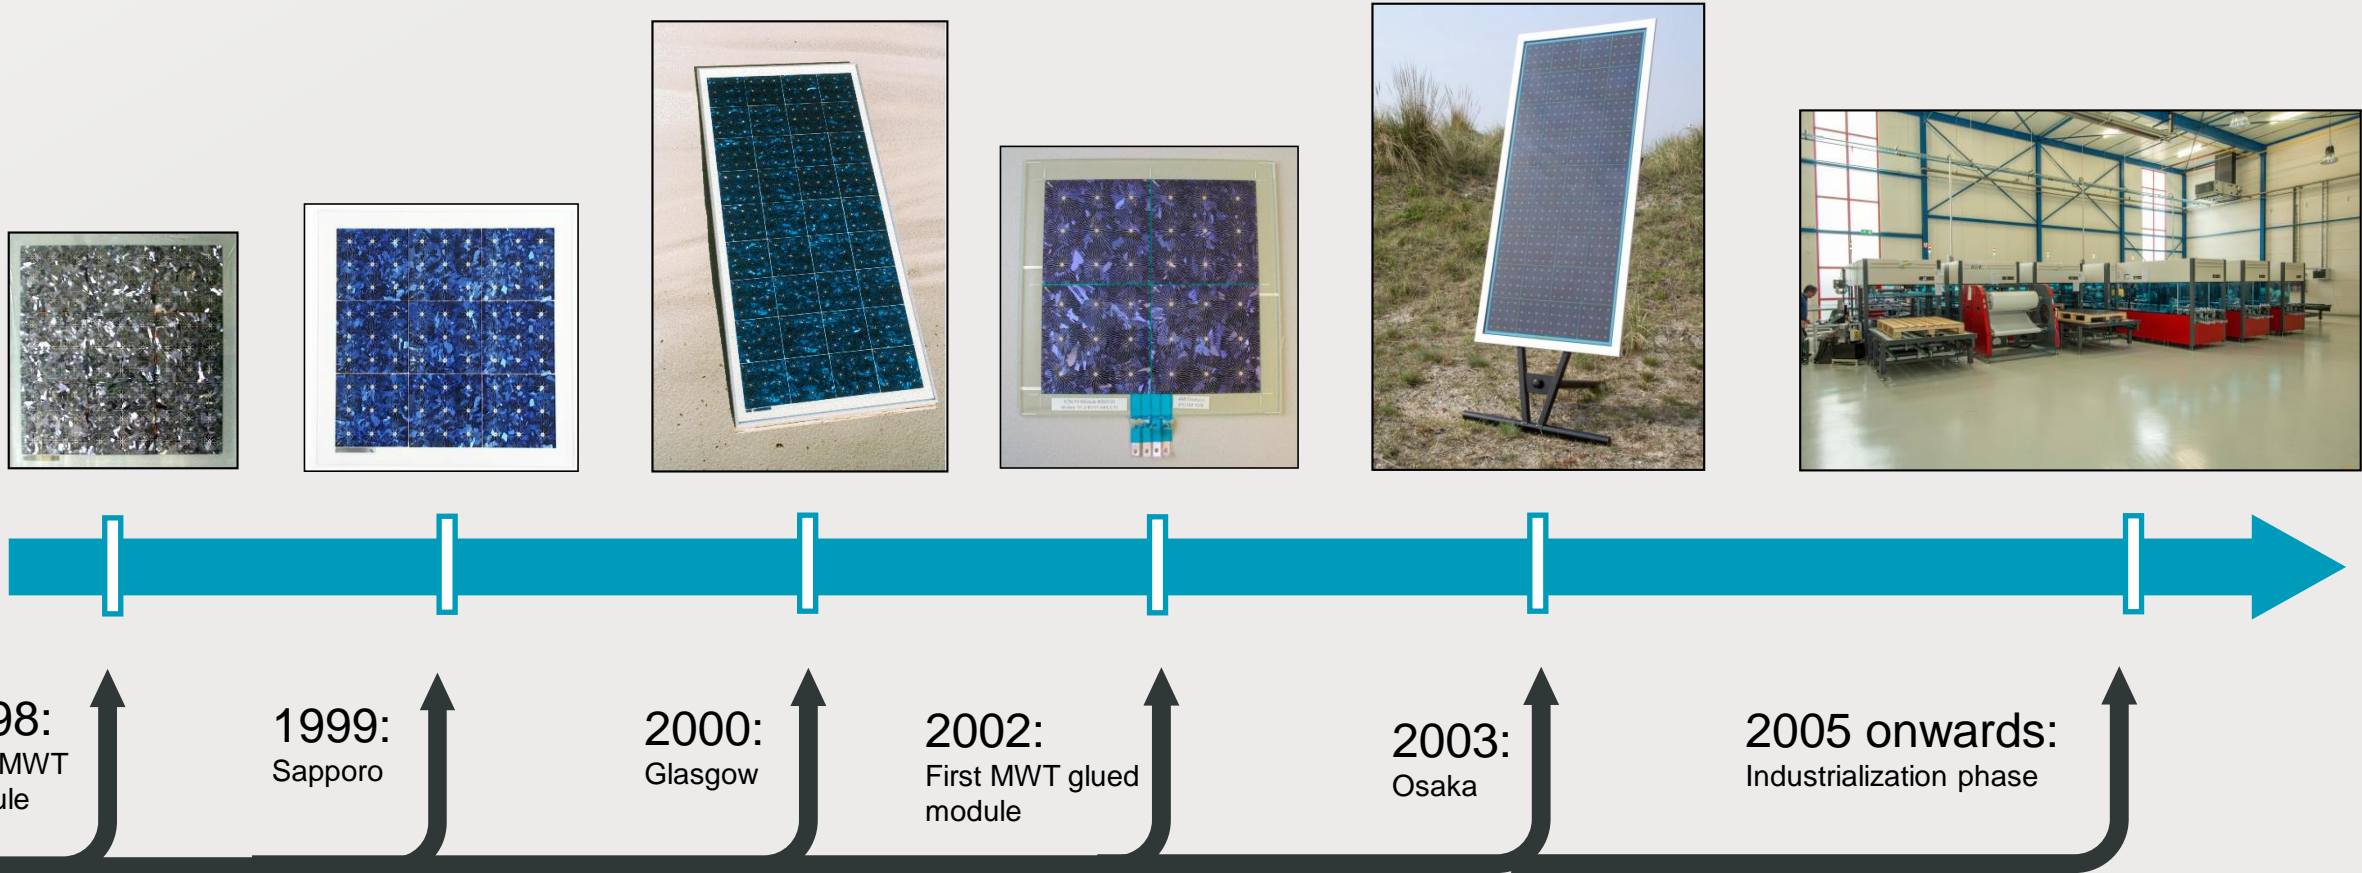

Impact

A weatherproof solution

- ✓ PID resilience
- ✓ No hotspots/microcracks
- ✓ PID barrier, no discoloring
- ✓ Better AOI response and no AR degradation
